MARINE & ENGINEERING

19 January 2012

PROJECT MANAGER : CAPE TOWN

The company seeks to appoint a **Project Manager** in the **Ship Repair** division to be based at the **Cape Town** office. The successful candidate must be dynamic and proactive, with high skill levels and competencies in the following key areas :

- Analyse scope of work on each vessel
- Monitoring of projects to ensure timely delivery while maintaining high standards and cost effectiveness
- Co ordinate with various departments and sub contractors on a daily basis for achieving targets in line with project plan
- Ensure accurate and timeous completion of all invoices
- Ensure that all legal requirements are adhered

Requirements:

- Relevant technical qualification
- 5 years supervisory / project experience within a Ship Repair environment
- Candidate must be willing to travel locally and offshore at short notice

Please send a concise CV to Kuben@dormac.net and be advised that only shortlisted candidates will be contacted. Closing date for this position is 26 January 2012
